LOWER MISSISSIPPI RIVER CHARTBOOK

Cairo, Illinois to the Gulf of Mexico

Mississippi River at Cairo, IL Photo by Bob Duthie

About the Chartbook

These charts were obtained from the U.S. Corps of Engineers website at http://www.mvm.usace.army.mil/Missions/Navigation/RiverNavigationCharts.aspx This website states under the privacy and security tab, "Information presented on this website is considered public information and may be distributed or copied unless otherwise specified." Charts are dated 2007.

This chartbook is for use by pleasure boaters only and has been printed by Duthie Learning for their convenience. The book is for planning purposes and not for navigational purposes, nor is it intended to substitute for government navigation charts and other official documents. Duthie Learning disclaims any liability for loss or damage to property or persons or expense and inconvenience which may occur as a direct or indirect result of using or interpreting any information contained in this book.

Chartbooks for the Tennessee River, Cumberland River, and Tenn-Tom Waterway are available at marinas along the route, marine book stores and online at www.greatloopcruising.com
